

Contents of Volume XVIII

No. 1, January-February, 1956

Editorial Note	i
A Study of the Psychodynamics of Duodenal Ulcer Exacerbations: With Special Reference to Treatment and the Problem of "Specificity"	Avery D. Weisman 2
Psychodynamic Significance of Seizure Content in Psychomotor Epilepsy	Arthur W. Epstein and Frank Ervin 43
Reaction of the Adrenal Cortex to Emotional Stress	Eugene L. Bliss, Claude J. Migeon, C. H. Hardin Branch, and Leo T. Samuels 56
Recurrent Urinary Retention Due to Emotional Factors	George E. Williams and Adelaide M. Johnson 77
Herpes Recurans—Emotional Factors: Report of a Case	Paul Weichselbaum 81
Coexisting Organ Neuroses: A Clinical Study	Peter L. Giovacchini 84
Letters to the Editor	Desmond O'Neill and William Kaufman 89
News of the Society	90
Abstracts of Periodical Literature	92
Book Reviews	97

No. 2, March-April, 1956

Creation of a Multidisciplinary Team: Introducing the Social Scientist to Psychiatric Research (Special Article)	Jurgen Ruesch 105
Evaluation of Results of Psychotherapy	Milton Rosenbaum, Jane Friedlander, and Stanley M. Kaplan 113
Psychological Significance of Visual Auras: Study of Three Cases with Brain Damage and Seizures	Aaron T. Beck and Thomas Guthrie 133
Further Appraisal of the Adrenalin-Mecholyl Test (Funkenstein Test)	Blaise Pasquarelli, R. J. Campbell, Phillip Polatin, and William Horwitz 143
Process in Psychosomatic Disorders	William A. Greene, Jr. 150
Urinary Excretion of Formaldehydogenic Steroids and Creatinine: A Reflection of Emotional Tension	Theodore B. Schwartz and Daniel R. Shields 159
News of the Society	173
Letter to the Editor	174
Abstracts of Periodical Literature	175
Book Reviews	180

No. 3, May-June, 1956

Influence of Symbolic Processes on the Role of Instincts in Human Behavior (Special Article)	Lawrence S. Kubie 189
Psychological Factors in the Neurodermatoses	Sidney E. Cleveland and Seymour Fisher 209
Psychological Aspects of Cardiac Disease: A Study of Patients Experiencing Mitral Commissurotomy	Stanley M. Kaplan 221
Effects of Cortisone and of Adrenalectomy on Activity and Emotional Behavior of Mice	John L. Fuller, Randall M. Chambers, and Ruth P. Fuller 234
Response During Anesthesia and Surgery: Effect of Psychological Factors	Fred H. Herring 243
Renal Excretion of Fluid and Electrolytes in Association with Vascular Headache	William W. Schottstaedt 252
News of the Society	259
Abstracts of Periodical Literature	260
Book Reviews	273

No. 4, July-August, 1956

In Memoriam	277
Reflections on Freud's One Hundredth Birthday	Felix Deutsch 279
Psychological Factors and Reticuloendothelial Disease: II. Observations on a Group of Women with Lymphomas and Leukemias	William A. Greene, Jr., Lawrence E. Young, and Scott N. Swisher 284
Relationship of Body Image to Site of Cancer	Seymour Fisher and Sidney E. Cleveland 304
Psychophysiological Studies in Thyroid Function	M. Dongier, E. D. Wittkower, L. Stephens-Newsham, and M. M. Hoffman 310

Psychological Stress and Endocrine Functions: Blood Levels of Adrenocortical and Thyroid Hormones in Acutely Disturbed Patients

	Francis Board, Harold Persky, and David A. Hamburg	324
Studies of Ulcerative Colitis: IV. The Significance of Headaches	George L. Engel	334
Correspondence	Felix Deutsch; Carlos J. Dalmau and Austin H. Kutscher; Oskar Diethelm	347
News of the Society		349
Abstracts of Periodical Literature		351
Book Reviews		360

No. 5, September-October, 1956

A Critical Examination of Some Recent Theoretical Models in Psychosomatic Medicine (Special Article)	Myer Mendelson, Solomon Hirsch, and Carl S. Webber	363
A Study of an Infant With a Gastric Fistula: I. Behavior and the Rate of Total Hydrochloric Acid Secretion	George L. Engel, Franz Reichsman, and Harry L. Segal	374
Problems of Psychotherapy and Transference in Shock Treatments and Psychosurgery	Lothar B. Kalinowsky	399
Migration and Psychosomatic Disadaptation	C. Alberto Seguin	404
Sedation Threshold: A Neurophysiological Tool for Psychosomatic Research	Charles Shagass	410
Influence of Emotional Stress on the Renal Circulation	Rolf Blomstrand and Folke Löfgren	420
Temporal Lobe (Psychomotor) Epilepsy: Report of a Case	Nathaniel J. London, Peter Richter, and Eugene L. Bliss	427
News of the Society		434
Abstracts of Periodical Literature		435
Book Reviews		442

No. 6, November-December, 1956

Social Class Prevalence and Distribution of Psychosomatic Conditions in an Urban Population (Special Article)	Thomas A. C. Rennie and Leo Srole	449
Some Influences of an Experimental Situation on the Psychotherapeutic Process: A Report, Based on 44 Treatment Interviews, of the Reactions of a Patient and Therapist to Observation, Recording, and Physiological Measurement	Peter D. Watson and Stanley S. Kanter	457
Psychogenic Factors in Essential Hypertension: Methodology and Preliminary Report	Leon Moses, George E. Daniels, and John L. Nickerson	471
Psychological Factors Related to Results of Subtotal Gastrectomy	Ira Weiner	486
Psychoanalytic Psychotherapy in Raynaud's Disease	John A. P. Millet	492
Influence of Hindu Culture and Social Customs on Psychosomatic Disease in India	Nitya N. Gupta	506
News of the Society		511
Abstracts of Papers Presented at the Annual Meeting of the American Psychosomatic Society		512
Book Reviews		517
Index		523
